

PLANTRONICS DUOSET®

Cost-effective convertible headset

The Plantronics DuoSet is a flexible, entry-level professional headset which is suitable for up to four hours of intensive use, or more if phone-calls are intermittent. Over-the-head stability or over-the-ear convenience depending on your choice.

Key features:

- **Convertible** – handsfree communications in two configurations to meet your needs, over-the-head or over-the-ear
- **Noise-cancelling or removable voice-tube** – make your choice dependent on your own working requirements
- **Value version** – available in a bulk pack as a headband model only
